

Keith's Words Across

The other day, as he was eating his favorite dessert, Keith noticed something funny about the word "circle." Each "c" in it has a different sound.

Fill in the words across. Each word in the clue box will fit in one row of boxes. When you finish, write down the letters in the shaded boxes in order to find out what Keith was eating.

ace

mice

space

circle

circuit

computer

cafeteria

centimeter
