A Gift for Mother’s Day!

Make a Madre Bonita Card

Jackie was really bummed because she forgot to make a gift for Mother’s Day. Then she discovered the lovely Madre Bonita flowers. Well, guess what? You can make a Madre Bonita for your mom. It’s easy when you use symmetry.

MATERIALS
• Poster paints • Pencil • Paintbrush • Heavy paper

DIRECTIONS
1. Fold paper in half, then in half again. Unfold and lay flat.
2. In one of the sections, sketch part of your Madre Bonita Flower in pencil as shown. Paint it different colors.
3. Fold the paper along one of the lines of symmetry. Press with your hand. Open and fold the paper along the other line of symmetry, and press again.
4. Open gently and lay flat to dry.
