Beijing Lantern Activity

Follow these simple steps to make your own paper lantern.

1. **Print Template.**
2. **Cut off top strip to use for handle.**
3. **Color or decorate template.** (optional)
4. **Fold page in half on fold line.**
5. **Cut along dashed lines on folded side. Stop when dashed line ends.**
6. **Unfold page. Curve into a cylinder along the long side.**
7. **Tape or glue ends together.**
8. **Attach handle to the top. Your lantern is complete!**
