

Dance of the Fireflies

You are being asked to bring the importance of the firefly to life in your community. The process of taking an idea, in this case, the dance of the fireflies, and abstracting it through various creative transformations should bring understanding to your audience. Express your masterpiece in any creative, artistic way (song, sculpture, graphic novel, poem, painting, dance, rap, haiku).

How will your project help you to create awareness and solve problems? Keep in mind as you create your masterpiece the top three or four bits of information you are trying to communicate:

1. _____
2. _____
3. _____
4. _____
