Simon Says

## How-to Play

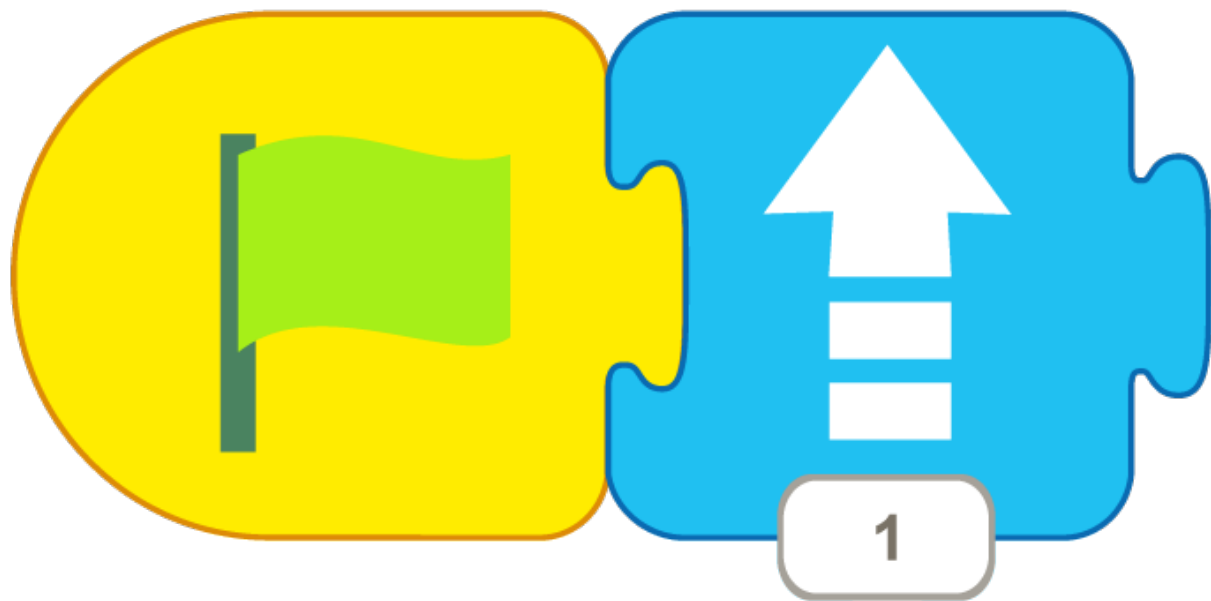

- Print and shuffle the following block slides to play the PBS KIDS ScratchJr Block version of Simon Says.
- Review and introduce all of the blocks in the game, and as a group, establish moves for all of the blue Motion and pink Looks blocks

Up, Down, Left, Right, Hop, Grow, Shrink, Hide, Show

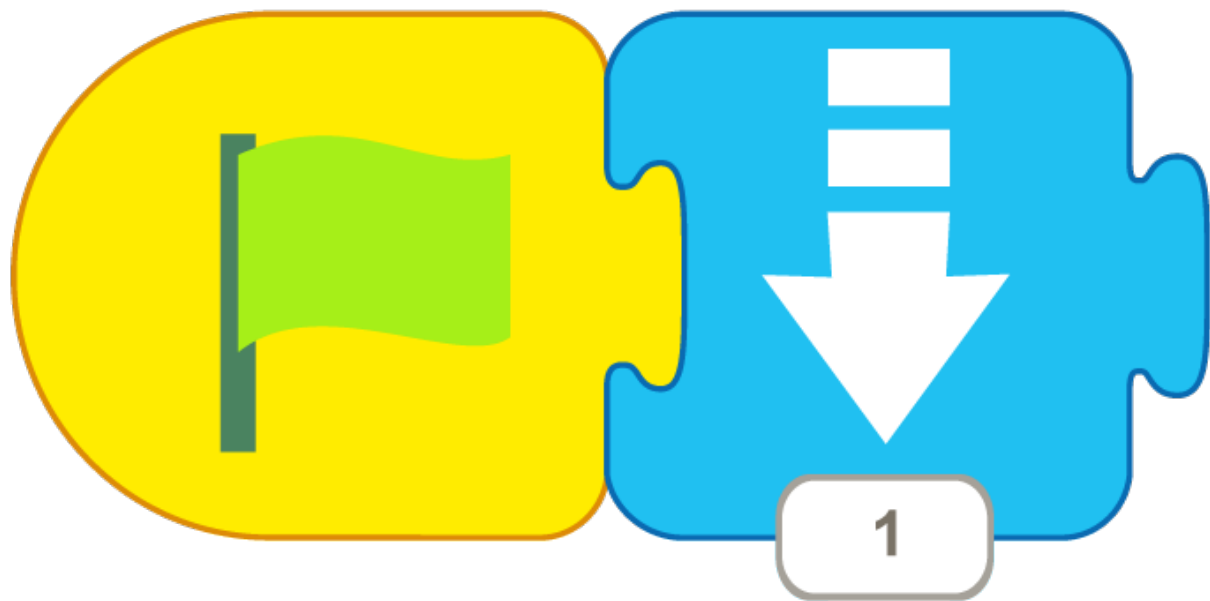

- The Green Flag block = “Simon Says...” As a yellow trigger block, it serves as the trigger for any actions/blocks that follow. When it is NOT on a slide, campers should do nothing.
- Hold up a slide at a time (no talking needed). And have fun!
